Construction of a cyclist – pedestrian path from the centre of Tychowo starting from the intersection with the street of Białogardzka along the street of Dworcowa to the street of Kolejowa that goes to the railway station

Gmina Tychowo
Criterion:
low-emission transport

Tychowo Commune: The purpose of the Project was the construction of a cyclist – pedestrian path of 726 running metres, which runs along the street of Dworcowa to the intersection of Provincial Roads nos. 167 and 169 and the District Road to the railway station in Tychowo. The cycling path built connects the existing “Tychowska Investment Zone” economic zone with the transfer hub located by the railway station. This solution provides travellers with an opportunity to safely reach their places of work. Two bicycle stations for 20 town bicycles were built as part of the investment.

Signing the project co-financing agreement: 2 August 2017
Total value of the project: PLN 960 159.78
Co-financing from the European funds: PLN 816 135.78
The investment was completed in September 2018
