Construction of cycling paths in the Commune of Świeszyno

Gmina Świeszyno
Criterion:
low-emission transport

Commune of Świeszyno - The construction to be performed of a cycling path in the Commune of Świeszyno provides the missing link in the connection with the system of cycling paths in the City of Koszalin; these paths go, among others, to the railway station, the bus station, the industrial area, cultural institutions, schools and companies. The route of the cycling paths covered by the project goes along the following district roads: Konikowo-Niekłonice and Niekłonice-Dunowo. Under the project, the following localities will be connected by cycling paths: Niekłonice, Konikowo, Giezkowo with a transfer hub located in Niekłonice. Over 5.36 km of cycling paths will be built including one Bike&Ride facility.

The project will be implemented in the years of 2018 – 2022.
