Construction of cycling paths on the route of Jacinki-Polanów as well as Rzeczyca Wielka -Polanów including the construction of the Transfer Hub in Polanów

Gmina Polanów

Criterion:

low-emission transport

Commune of Polanów - This project covers the construction of a transfer hub in the locality of Polanów in the street of Wolności, where you will be able to leave your car or bicycle and continue your journey using public transport or on foot. You may leave your bicycle or luggage in the transfer hub when staying at work or when using other services.

Under a shelter in the transport hub, 30 places for bicycles will be provided, 28 locked cabinets as left luggage services and concrete seats with wooden elements. The surface is to be cleaned; flowerbeds and street furniture (waste baskets, information boards, illumination and a monitoring system) will be provided.

This project will also cover the construction of ca. 9 km of cycling paths in the directions of Jacinki - Polanów as well as Rzeczyca Wielka - Polanów. Street furniture will be provided: bicycle racks, waste baskets and information boards.

This project is currently under implementation.

Signing the project co-financing agreement: 2 August 2017

Total value of the project: PLN 2 999 999.99

Co-financing from the European funds: PLN 2 465 182.16

Completion of the investment: November 2019
