

Construction of a cycling path along National Road no. 11 as an alternative to wheeled transport

Gmina Manowo

Criterion:

low-emission transport

Commune of Manowo - This investment is related to the construction of a ca. 5.6 km cycling path to cover a section of the locality of Kretomino (from the existing and newly built cycling path within the boundaries of Koszalin) to the locality of Manowo. This route along National Road no. 11 will offer fast communication to places of work and educational institutions located in the Commune of Manowo as well as to companies, schools and transfer hubs situated in Koszalin. This project is currently under implementation.
