Development of infrastructure in the investment lands of the Słupska Special Economic Zone in Koszalin

Miasto Gmina Koszalin

Criterion:

development of the investment zones

City of Koszalin - This project will consist in the development of infrastructure in ca. 13.5 ha of investment lands in Koszalin in the area of the streets of Lechicka/Szczecińska. In the area of the Zone, an internal communications infrastructure will be built including drainage, illumination and necessary technical infrastructure (such as sewage and storm water drainage systems or water supply systems). The implementation of the project will result in an improved investment attractiveness of the region, and it will encourage small and medium sized production and service enterprises to develop their operations there which in consequence, will translate into creation of new jobs.

Signing the project co-financing agreement: 8 November 2017

Total value of the project: PLN 24 120 788

Co-financing from the European funds: PLN 10 510 508.61

Completion of the investment: March 2020
