# Conversion of the street of Towarowa and a section of the street of Zdrojowa in Kołobrzeg

Gmina Miasto Kołobrzeg
**Criterion:**
local roads

Municipal Commune of Kołobrzeg - This project consists in a conversion of the road system in the area of the Kołobrzeg Port (the street of Towarowa, parts of the streets of Zdrojowa and Mickiewicza). The main goal is to increase access by road to the centre of economic growth: the Seaport of Kołobrzeg. The investment covers repairs of road surface in the network of streets (Towarowa, Spacerowa, Portowa, Zdrojowa, Mickiewicza including intersections with the streets of Spacerowa, Portowa and Reymonta) of a total length of ca. 1 km including the construction of a roundabout, the construction or conversion of pavements, parking spaces, railway siding and other activities aimed at an improvement of railway, road and pedestrian traffic safety. This will substantially improve accessibility to the port investment lands.
This project is currently under implementation. The completion of the investment is scheduled for the year 2018.

Signing the project co-financing agreement: 30 June 2017
Total value of the project: PLN 7 440 931.09
Co-financing from the European funds: PLN 5 080 376.50
Completion of the investment: August 2018
