Development of entrepreneurship in the area of the Koszalińsko-Kołobrzesko-Białogardzki Functional Urban Area through the provision of technical infrastructure in the Białogardzki Investment Park in Białogard

Miasto Gmina Białogard
Criterion:
development of the investment zones

Town of Białogard - Under this project, the Białogardzki Investment Park provided technical infrastructure on 4 hectares of investment lands for new companies. A ca. 350 m road including a storm water drain system and illumination was built in the area of the investment zone situated in the north-west part of the town of Białogard. A storm water drain and sewage system, a fire system, conduits for electrical installations and power infrastructure were built by the road. The implementation of this project will result in an improved investment attractiveness of the region, and it will encourage small and medium sized production and service enterprises to develop their operations there which, in consequence, will translate into creation of new jobs.

The investment was completed in 2018.
Signing the project co-financing agreement: 2 August 2017
Total value of the project: PLN 1 041 810
Co-financing from the European funds: PLN 637 500
The investment was completed in June 2018.
